

The world famous Tremains Christmas Lights are back in Hawke's Bay for 2023!
So grab your lights, decorate the house, turn them on and celebrate the magic of Christmas with us.

This year we will once again be providing maps for everyone to use and encourage Christmas lights to be viewed from the street as you travel to each location.

In the spirit of Christmas, two lucky participating houses will be randomly selected to have their December power bill paid by Tremains*.

Enter today and celebrate the magic of Christmas! Entries close 20th November 2023.

*Terms and conditions apply.
